Sir,

With reference to your docket No.11651/L.B. (271 of 04)-4 dated 20th June/ 1905, in re the proposal to shift Vartur Dispensary to a building near the Vartur tank, I have the honor to state that the Assistant Commissioner, Bangalore Range, reports after inspecting the place that the building originally intended is not big enough to accommodate the Dispensary and that the owner thereof is not willing to let it independent of the Bungalow of which it forms a part. He further opines that the needs of the settlers would be amply satisfied if the Hospital Assistant can be directed to visit White Field twice a week. The Amildar of Bangalore -- Taluk also reports that Mr.Upshen, Secretary of the Whitefield Association, expressed to him that the settlers would be quite satisfied if the Hospital Assistant can be arranged to visit them ~~twice~~ thrice a week.

2. Vartur is very near to Whitefield and is a central village. And for the reasons represented above, I do not see it necessary to shift the dispensary from its present place. Concuring with the Assistant Commissioner's views, I request that orders may be passed directing the Hospital Assistant to visit Whitefield twice a week.
